November 20, 2020

To EOC Students and Families:

**Yuma County Pandemic Information:**

This letter is to inform our community and students that on November 20, 2020 one staff person of the school tested positive for the COVID-19 virus. In order to maintain the safety of our community and students, the school is moving to a full distance learning platform immediately until November 30, 2020. We understand this creates challenges for students and families as well as the school. We are taking the following actions at this time.

1. The midterm date to turn in assignments has been adjusted to November 30, 2020.
2. Students that desire to submit work can turn in work through their Google Classrooms or place their work in the school's assignment drop box by the entrance of the school.
3. Students may pick up breakfast and lunches at the school from 8:30 to 9:30 on November 23 and November 24. The school will be closed for the Thanksgiving holiday from November 25 through November 29.
4. The school will reopen for in-person services on November 30 for those students that desire in-person learning.
5. Teachers will still conduct daily lessons as scheduled. Class times are as follows:

First Period	8:15-9:15
Second Period	10:00-11:00
Third Period	12:00-1:00
Fourth Period	1:50-2:50

6. For students under the age of 18 who need supervision, students that lack technology and students that have difficulty with distance learning may still attend school, but students will be required to stay in assigned rooms without direct contact with staff.
7. Students must continue to contact teachers on November 23 and 24 for attendance purposes.
8. During the time of school closure, the school will under go a deep cleaning and sanitation.

The school will always attempt to provide the most up-to-date information that is available regarding the pandemic and its impact upon the school.

Please contact the school at 928-329-0990 ext 4111 if you have questions or concerns.

With best regards,

Brian Grossenburg
