February 4, 2021

To EOC Students and Families:

**Work and Assignment Deadline**

On Tuesday, March 2<sup>nd</sup>, staff will be conducting home visits for students that have not turned in assignments. All work, assignments, quizzes and tests that were assigned for quarter 3 must be submitted on or before March 12, 2021. Students must make arrangements with teachers to complete missing quizzes and tests. Any work, assignment, quiz, and test that is not submitted or collected by March 12 will not be accepted and given a grade of 0.

**Yuma County Pandemic Information**

Current information published by the Arizona Department of Health Services determined that rate of COVID-19 virus is still highly present in Yuma County and is recommending schools remain in a distance learning environment. Remember, Arizona allows students to still attend school in person under one of the three conditions below:

1. The student has limited success in distance learning.
2. The student lacks the technology to access distance learning.
3. The student is under the age of 18 and lacks adequate supervision at home.

**Azella Testing:**

Students that have limited English proficiency are currently required to complete the AZELLA exam. The AZELLA exam will given on February 9 and 10. The Arizona English Language Learner Assessment (AZELLA) is a standards-based assessment that meets both state and federal requirements to measure students' English language proficiency. Our school academic advisor will be contacting students that are required to take the exam. Students will need to take the exam in person. The school will take as much precautions as necessary to ensure the safety of students and staff.

**Final Exams:**

The school will provide final exams in person or virtually. The dates of final exams are scheduled from March 10 to March 12. All final exams must be completed by 3:00 pm on March 12, 2021.

**Student Chromebook and Hotspots:**

Student Chromebooks and hotspots to provide internet access are ready to be loaned to students. The following activities must be completed before the release of devices:

- Students, parents and guardians must complete laptop device loanership forms.
- Students must complete TABE testing.
- Families must provide current proof of residency prior to the loan of a device.
- Students must complete an orientation to the devices prior to the release of the devices.

Forms can be acquired at the registrar's desk or found on the schools home page at: <https://chs.ypic.com/>. An orientation to the policies and functions of the device will be completed at the time of loanership.

Respectfully,

A handwritten signature in dark ink, appearing to read "Brian Grossenburg".
