August 10, 2023

To EOC Students and Families,

This is a very good start to our school year. We have many great returning students and many great new students that seem dedicated to achieving a high school diploma.

School Board Approves Policy on Mesh and Clear Backpacks

Yesterday, the school board approved a policy on mandating clear or mesh backpacks and is giving the school until September 15th to make the transition. Families and students do not need to purchase any item. Students will have the choice between a mesh backpack and a clear backpack. Also the school will purchase one small privacy/vanity case which can be used to store small personal items. If you have questions or concerns please call Brian Grossenburg (Principal) at 928-329-0990; call or text to is 928-257-0637; or email bgrossenburg@ypic.com

Closer to Getting Free Meal Services Back in Place

Staff have been working diligently to provide small snacks to students during this time period of meal service interruption. We are getting closer to re-establishing free meal service to the school by entering into a partnership with Crane School District. Their nutrition department has been outstanding at working quickly to assist in our food supply challenge. If all goes well, we may have free meals re-established by August 21, 2023. We appreciate the patience our students and families have displayed.

YPIC's WIOA Has Spots Available for In-school Youth

Our youth department has spots available for in-school youth. All interested families and students should apply. There is a sign-up sheet on the principal's bulletin board. The program can pay for college classes, work internships, completing high school classes, achieving diplomas, and other life advancing achievements. Please contact Ms. Paula Ramirez at 928-329-0990 ext 4112 or email at pramirez@ypic.com

Tutoring for Credit is Starting:

Having trouble with math or English? Don't think you can pass tests? Need to make up time for absences? Get credit for classes by attending tutoring. Students can achieve .25 credits for every 30 hours of tutoring they achieve. There are no tests involved and students get make-up time for tutoring! Tutoring only requires the teacher and student working together to meet the learning targets. Speak with your teachers TODAY about getting credit for tutoring.

Mr. G Got A New Phone Number

In case you missed it! My new cell number is 928-257-0637. Feel free to text or call. You can still reach me at my office phone number which is 928-329-0990 ext 4111 or by email at bgrossenburg@ypic.com. I am slowly adding student and parent numbers to my phone. You guys are my heroes!!!

Respectfully,

Brian Grossenburg
Principal
EOC Charter High School
