October 2, 2020

To EOC Students and Families:

Return to In-person Classrooms:

Based on the current pandemic information published by the Arizona Department of Health services, schools have the ability to expand in-person services. Starting on October 14, 2020 students that desire an in-person classroom setting may start to attend school. Students that wish to remain in distance learning may stay on the distance learning format. Please understand, past performance with distance learning should be taken into consideration when choosing the most appropriate model. If the student has not been successful in a distance learning platform before, the school encourages the student to attend classes at least 2 days out of the week.

The school will implement the following schedule:

Monday through Thursday	
Period 1	8:15 - 9:15
Academic Support	9:20 - 9:50
Period 2	10:00 - 11:00
Academic Support	11:10 - 11:40
Period 3	12:00 - 1:00
Academic Support	1:10 - 1:40
Period 4	1:50 - 2:50
Academic Support	3:00 - 4:00

Friday	
Academic Support	8:15 - 12:30

If the student has not had success in distance learning platforms in the, the school recommends that the student attend classes at least 2 days out of the week instead of only attending virtually or completing distance only.

Status of Student Chromebooks:

Our procurement office reported that the arrival of our Chromebooks have been pushed back to mid-October.

End of the Quarter Remarks:

End of the quarter work deadline has been set for October 9, 2020. Any assignment not completed by October 9 will receive a permanent mark of zero.

If you need more time to complete tests, quizzes, midterms and assignments please contact your teacher. You must complete each course with a 60 percent or better to achieve academic credit. Completing a full course in quarter 1 awards half a credit towards graduation.

Attendance Reminder:

Students must continue to contact teachers daily (Monday through Friday) and submit assignments by designated deadlines.

Please contact the school at 928-329-0990 ext 4001 if you questions or concerns.

With best regards,

Brian Grossenburg
Principal
EOC Charter High School
